

Wessex Tandem Club

11th March 2012 – Eastern Waterfronts

Sue and John Sutton led the Wessex March ride round the New Forest East waterfronts. The weather couldn't have been better, bright sunshine and light winds, the mild temperatures meant no-one knew exactly what to wear because there was still some mist around which cooled things down.

Four tandems came to the start plus two local solos who joined in as far as coffee at Beaulieu, where Peter Hawker joined the group on solo after some time-trialling with the local road club plus Alan and Audrey Joy on their motorised tandem trike.

After a visit and photo shoot at Ashlett Creek, the party went on to Lepe Beach for picnic lunch and were surprised by Clive Swears arriving on his maiden ride on his newly completed recumbent solo!

After a gentle and sociable ride back via Exbury and Bucklers Hard, we arrived back in Lymington. Lovely ride, lovely day.
